Key Signature: 3/4 Introduction: 4 measures

Measures 1–4: Introduction. Start in a big circle facing center of circle. Allow introduction to go by without movement.

Section A

During this section, arms are down at sides of body.

During measures 5–8, movement is done around the circumference of big circle.

Measure 5: Waltz step (R down, L up, R up) to R starting with R leg, head turns to R on first count; turn 180 degrees to R during this measure to face outside of circle.

Measure 6: Waltz step (L down, R up, L up) to R starting with L leg, head turns to L on first count; turn 180 degrees to R to face center of circle.

Measures 7–8: Repeat measures 5 and 6, end facing center of circle.

Measure 9: Walk toward center of circle starting with R, then step L, then R and demi-plié on R, with L leg bent behind R, L toes touching floor.

Measure 10: Walk backward from center of circle starting with L, then step back R, then step back L and demi-plié on L with R leg bent in front, R toes touching floor.

Measure 11: Pas de basque to R.

Measure 12: Pas de basque to L.

Measures 13–20: Repeat section A.

Section B

During this section, arms are down at sides of body. Before starting movement, turn 90 degrees to L so that R shoulder is toward center of circle.

Measure 21–22: 2 Grapevine steps to R ending with feet together and clapping on count 6.

Mark L. Greathouse, Helena Greathouse

Measure 23–24: Repeat measure 21–22 to L, moving away from center of circle. **During measures 25–28 movement is done around the circumference of big circle.**

Measure 25: Chassé step on R and step R, turning 180 degrees to R.

Measure 26: Step L backward, step R backward, and close L to R.

Measure 27–28: Repeat measures 25–26.

Measures 29–36: Repeat section B on opposite side, starting with L.

Measures 37–52: Repeat section A twice on opposite side, each time starting with L.
